PREVIEW OF TODAY'S GAME

Today we welcome formidable, adversaries, leaders of the championship, MARCONI OF SYDNEY.

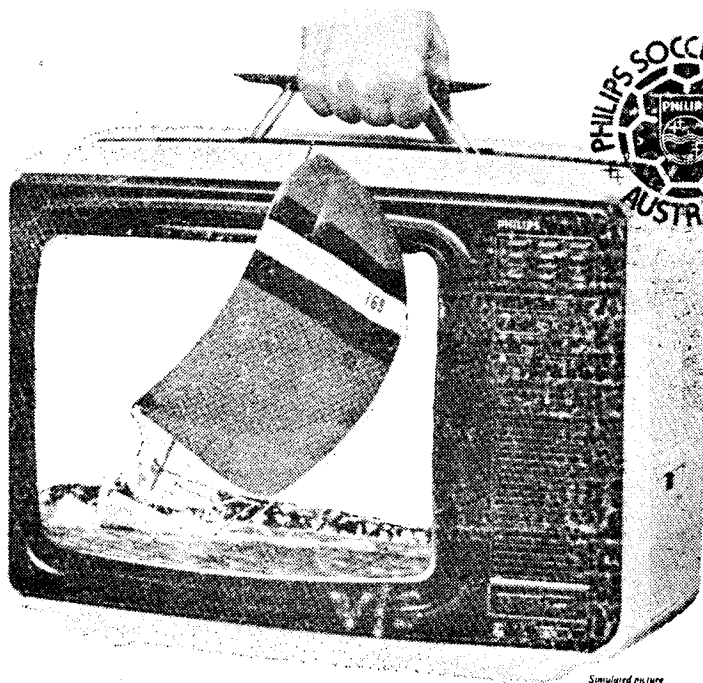

Their commanding lead, 4 points clear from the closest rival, Brisbane City, reflects the ability, the talent and consistency of the side that has punctured the netting of their opponents, via prolific goalscorer Mark Jancovics (13 goals) closely followed by Eddie Krncevic (9 goals), Sharne (7).

The remarkable aspect of Marconi's performances is the support players are offering to each other, on the field, undisputedly evident from the low, number of goals conceded. Stalwarts in defence, Henderson, Priskalo, Russell, Dagny, hardly expose Maher's net throughout their encounters. Tireless worker in the midfield Byrne compensates for maestro Vieri whose superb playmaking abilities have always been praiseworthy.

Against such meritable opponents, South Melbourne has traditionally raised and reversed the pressure, with unpredictable accomplishments.

Let us hope that today's game will produce the thrills it promises.
